

Timberline[®] HDZ[™]

High Definition[®] Shingles

As featured on *This Old House*, the Timberline[®] HDZ[™] Shingles installed here are Oyster Gray.

Millions of families have found shelter and peace of mind under a Timberline[®] roof.

And now, a good thing just got even better.

We protect what matters most[™]

It's a system, built to protect

A Timberline® HDZ™ roof is so much more than shingles. It's layers of protection, working together to help keep your home safe from rain, snow, sun, and wind.

In fact, installing 4 qualifying GAF Accessories — GAF starter strips, roof deck protection, ridge cap shingles, and either leak barrier or attic ventilation — in one roof system makes Timberline® HDZ™ Shingles eligible for the WindProven™ limited wind warranty.¹

Timberline® HDZ™ Shingles also feature StainGuard® Algae Protection, which helps protect the beauty of your roof against unsightly blue-green algae discoloration.²

Visit gaf.com/LRS for qualifying GAF products.

LayerLock™ Technology mechanically fuses the common bond between overlapping shingle layers. The added strength at the common bond powers the StrikeZone™ — the industry's widest nailing area.

¹ 15-year WindProven™ limited wind warranty on Timberline® HDZ™ Shingles requires the use of GAF starter strips, roof deck protection, ridge cap shingles, and leak barrier or attic ventilation. See *GAF Roofing System Limited Warranty* for complete coverage and restrictions. Visit gaf.com/LRS for qualifying GAF products. For installations not eligible for the WindProven™ limited wind warranty, see *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions.

² StainGuard® algae protection is available only on shingles sold in packages bearing the StainGuard® logo. Products with StainGuard® algae protection are covered by a 10-year limited warranty against blue-green algae discoloration. See *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions.

For other owners/structures, Lifetime coverage is not applicable. Lifetime coverage on shingles requires use of GAF Lifetime shingles only.
